*****NOTE*****

Each animal in our program has gone through an assessment prior to being placed into a foster home. It's important to us that you, the other people in your household, and any other pets that may be in your household, are not uncomfortable or at risk at any time, as a result of taking on a foster for The Last Chance Cat Ranch.

Fostering is usually for the time period the animal is in care up to adoption. Shorter foster situations are possible in some situations. The Last Chance Cat Ranch tries to avoid an animal being placed in several foster homes as this can cause stress, stability issues, and such.

Supplies such as a litter box and scoop, toys, and bed etc., will be provided by The LCCR. All veterinarian costs for the foster cat are covered by The Last Chance Cat Ranch while he/she is in your care.

PLEASE LET US KNOW ABOUT ANY SPECIAL CIRCUMSTANCES OR CONCERNS IN THIS AREA OF THE FORM.
